

Administration

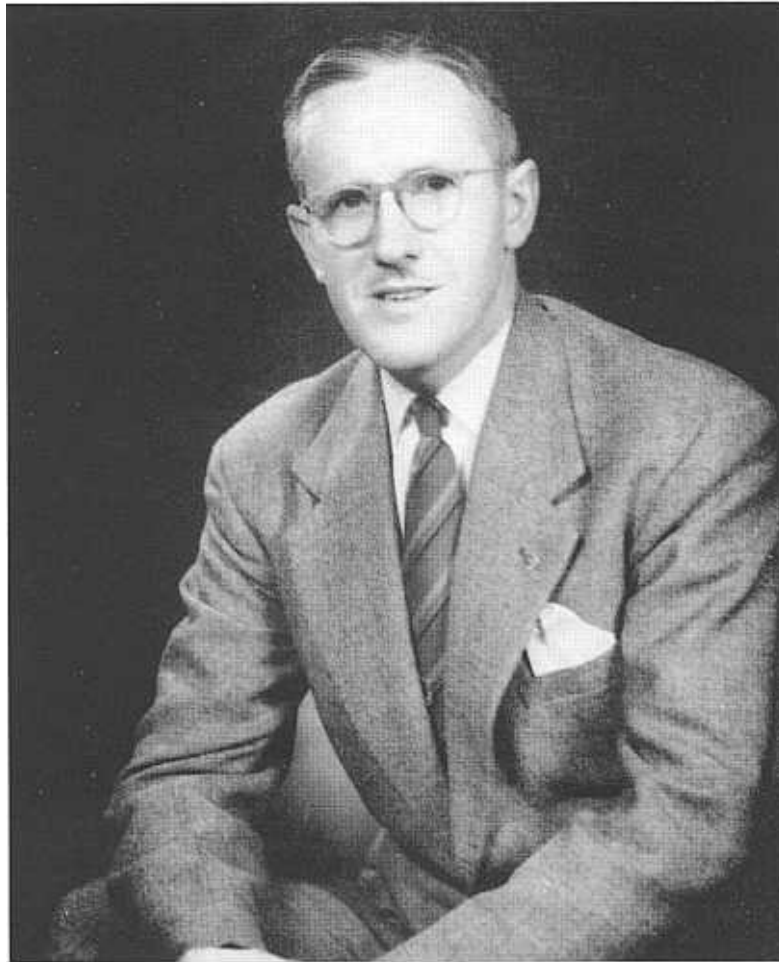

Clayton,
It was a pleasure to have you
at C.N.S. the last three years and
we appreciate your fine attitude
Here's wishing you the best.
Sincerely,
W.J. Doverspike

MR. WALTER J. DOVERSPIKE

Mr. Doverspike is the kind of man who is always there when you need him. Throughout our high school days he has been an inspiration to each and everyone of us. He has made our three short years in high school easier and much more enjoyable.

As time goes by, we, the class of 1950, are quite sure that we shall never forget "Dovy."

MR. A. A. MURPHY

As supervising principal the past four years, Mr. Murphy has done a lot to raise the standard of our schools and to promote interest in them. But despite his incessant work, he has found time to be a friend and adviser to every student at one time or another.

Standing—L. to R.—Walter Hedrick—Highland Twp., Frank K. Miller—Clarion Boro, R. K. Keefer—Clarion Boro, Cecil Gourley—Monroe Twp., Walter Maxwell—Highland Twp., Joseph Baker—Paint Twp., William Reed—Highland Twp., Paul Reed—Highland Twp.

The Clarion Joint School Board

The Clarion Joint School System was organized on September 22, 1949, after several months of intensive study and meetings. The member districts are Clarion Borough, Highland Township, Monroe Township and Paint Township.

The school directors in these districts are desirous of furnishing the best possible educational opportunities for the children, and it is recognized that schools can be operated to the best advantage and most efficiently on a community basis. Then, too, the larger administrative unit is in keeping with the trend throughout the Commonwealth of Pennsylvania.

The Clarion Joint School Board operates and maintains school at eleven locations. The board has plans to reduce these locations to three. Two applications have been filed with the State School Building Authority for an addition to the Senior High School and an elementary school building which is to be located on the site north of the Senior High School.

A representative from each school board attended a conference on the building applications at Harrisburg on February 17, 1950. Studies are now being made in each district as to the method of financing the projects which will be amortized on an annual rental basis.

Music and art instruction as well as dental health have been added to all the schools in the system since the formation of the jointure. The nursing program began in the four districts last year. The dental hygienist cleans the teeth of all boys and girls in the entire system. There are more than one thousand boys and girls enrolled in the joint schools.

The Clarion Joint School Board with twenty school directors is the largest organization in Clarion County. The advantages of pooling community efforts and resources for the common good are unlimited and the school directors of the four districts are working toward that goal.
