*Clayton, you're a super salesman and I hope you don't waste that car of yours. Kind regards, Sue*

*Good luck to a success buddy as a swell Senior's class mate*

*Here's to a good friend & classmate 'Joff'*

LOIS JANE MOORE

"Loie"

"Loie" wants to join the Waves which she'll probably find rougher than the snappy Pontiac she drives. Her favorite expression will have to change. "Well, I'm Sorry" won't work in the service but she'll make good. Camping at Cooks Forest is her favorite pastime.

MARSUE MORTLAND

"Susie"

"Susie" is one of our Bobkittens, a forward position. Interested in sports, she wants to become a physical education teacher and if her teaching is as good as her playing, she'll be a success. Her favorite expression is "Tha' for sure." Her favorite pastime is driving.

Basketball—2, 3; Newspaper—3; Class Officer—4; Gym Exhibit—2, 3, 4.

FRED MYERS

"Froggie"

"Froggie" is one of our smaller seniors. Although he and school aren't too wild about each other's company, fellow students find him more likeable and his funny antics are enjoyed by many. His ambition is to become a cartoonist. He likes skating and making model planes. Dislikes?—Trig and garlic. What you'll hear him saying is, "Well, what's the difference?"

LOWELL NEWELL

"Jeff"

This tall, slow moving senior likes to spend his spare time eating and playing pool. He has set graduation as his immediate goal. Well, he made it.

Gym Exhibit—2, 3, 4.

VIRGINIA PATTON

"Ginny"

Here is a studious senior who loves books. In fact, she likes them well enough to become a librarian. Her favorite expression, "Drop Dead", would express her sentiments to a noise maker in her library quite well.

Chorus—2; Gym Exhibit—2, 3, 4; Spring Concert—2.

*Best of luck in your future*  
*Joan Randolph*

"Jo"

Cute and peppy, "Jo" has been an outstanding cheerleader the past three years. She is another member of that lively senior gang. Her good looks will no doubt help her to become a good secretary.

Cheerleader—2, 3, 4; Class Play—4; Newspaper—4; Gym Exhibit—Athletic Council—2.

ANN REED

"Ann"

Another quiet senior with the nickname of— you guessed it, "Ann." Her ambition is to keep house for some handsome fellow with whom she'll probably get along fine. Her favorite expression is "You're right."

Gym Exhibit—2, 3; Spring Concert—2.

*Don't forget the night of May 5, 1950*

GEORGE RUSSELL

"Russ"

That dark, good looking senior boy, often seen roaming the halls, is none other than "Russ". His favorite pastime right now is playing baseball, but he hopes someday to be a stunt flyer.

*Good luck always*

*Geo*
